Enterprise

When your organization depends on mission critical data, choosing a global hosting leader is imperative to your business. Hostway delivers. We provide managed hosting plans with unlimited traffic allowance, powerful and flexible dedicated servers and colocation in our Tier 1 data centers. Hostway has the experience, technology and reliability to handle your enterprise operations.

Hostway's Prime7 Service includes 7 layers of managed services, allowing you to reduce IT costs, gain peace of mind and concentrate on your core business.

Colocation

Protect your server in our state-of-the-art data centers.
